HIGHWAY PLEDGED BY GOVERNMENT

Gratifying Results Reported in Local Campaign, to Raise Stone Mountain Fund Quota.

* Two important announcements regarding the progress of Stone Mountain Confederate Memorial were given out Saturday by officials in charge of the project.

1. Federal aid has been promised officially, in constructing a highway to run past Stone Mountain.

2. Work on completion of Atlanta's quota for the memorial fund has gone along quietly and with gratifying results through the past week, and the $250,000 asked of this city is expected by the end of the coming week.

Letter From MacDonald.

Hollins N. Randolph, president of the Stone Mountain Confederate Memorial association, made public a letter from Thomas H. MacDonald, chief of the federal bureau of public roads, in Washington, in which he states that the bureau has approved a federal aid highway to run past Stone Mountain and continue northeastward to Washington.

Contended members in charge of a study of the arterial route over the most direct route, with the express consent of the President, that the necessary gasoline could be found in the state, and that the order of the President, the state legislature, and the courts of the state had been observed. The highway was to be constructed in accordance with the laws of the state and the orders of the President and the state legislature.

Statement by Adams.

Chairman Adams of the state highway commission, gave the following statement in regard to the proposed highway:

"Personal reasons prevent my making a speech, for I do not see any reason why the state should not take the highway and the proposed highway is cut in the most feasible way, and the work can be done without any expense to the state."
